

MOUNT LANGI GHIRAN

2015 Cliff Edge Riesling - Reviews & Accolades

94 JAMES HALLIDAY
POINTS Halliday Wine Companion, August 2017

Never fails to please, a legacy of the love Trevor Mast had for riesling after his time making it in Germany. It has begun inching its way to maturity, and is best left at the job without interference over the next 4 years.

93 HUON HOOKE
POINTS The Real Review, January 2018

Medium to light colour with a smoky, struck-flint bouquet, which is minerally and exotic and extremely appealing. The wine is delicate and refined on the palate, but also intense and focused and precise. This is a fine riesling, just starting to show some attractive bottle-age development now.

92 CAMPBELL MATTINSON
POINTS Wine Front, October 2017

Riesling made from 35-year-old vines growing on the beautiful Langi property/vineyard. Released as a two-year-old. Fresh fruit with gentle notes of development. In an excellent drinking zone now. Lime leaves, spice, orange rind and the barest whiff of petroleum. It hits, it sizzles. And yet it has a softness. The word sophisticated springs to mind.
